The Registrar,

Subject: Issuance of eligibility certificate u/s 13(4B) of the IMC Act, 1956 – reg.

Sir,

It is to inform you that the matter with regard to the issuance of eligibility certificate in respect of Indian Citizens/Overseas Citizen of India who are desirous to take or have already taken, admission in MBBS or equivalent medical course in a medical institution/university outside the country, was reviewed by the Board of Governors (BoG) at their meeting held on 30th January, 2019 and the BoG has decided to process the applications for eligibility certificate on the basis of an undertaking given by the applicant in the form of an affidavit and particulars furnished in the application form.

The BoG further decided that the responsibility of verification of academic certificates such as 11th and/or 12th class marksheet/certificates and caste certificate (if applicable), may be done by the respective State Medical Council from where the candidate is seeking provisional/permanent registration.

In view of above, it is further to inform you that now, the Medical Council of India is not conducting any verification of such documents and the same to be verified, if deemed appropriate, by the State Medical Councils only.

This is for information and further appropriate action in the matter, please.

Yours faithfully,
